CERTIFICATE OF PARTICIPATION

JOINT PROJECT WORKSHOP AND TRAINING WITHIN THE
DAAD PROGRAMME "UKRAINE DIGITAL 2024"

Tetiana Shestakevych

has successfully participated in the on-campus workshop and internship within the DAAD funded project "Open Education Resources with Ukraine: Informatics" in the period from 17. - 21. March 2024.

The key objective of programme is ensuring academic success in time of crisis. The project aims to expand the digital teaching offers of the Ukrainian partner universities of Leibniz University Hannover so that teaching can be maintained. For this purpose, teaching and learning videos from various fields of computer science are produced and published under Creative Commons (CC-BY) licences and integrated into the ongoing teaching activities of the partner universities. The content of the videos is adapted and prepared as Open Educational Resources in accordance with the UNESCO definition which was also the main focus of the workshop and training in Hannover.
